**Report**

Footpath Forum members had previously been circulated with a copy of the report of the meeting of the Footpath Forum which had been held on the 10<sup>th</sup> January 2017.

**Members Report**

Mrs March reported that everywhere seems to be muddy, particularly FP21 bridal way and footpath, near the old stream.

Mr Kennet reported that FP7 is very muddy and you can't walk along it. Old seats have been vandalised, where you used to be able to sit and look across the valley.

Mr Lewis reported that the slope mentioned in the last meeting is getting very slippery and dangerous.

Councillor D Foster asked if anybody ought to be invited to join the footpath forum. Any thoughts of who members would like to invite to be discussed at the next footpath forum.

Councillor Mrs S Hanks mentioned the litter pick that has been organised by PCSO R Cummings. Councillor Mrs S Hanks also asked if the footpath to the beach could possibly extend? Mr P Lock mentioned that the fields around the path are council owned and would need permission to go across them. Gwyn would need to take that forward.

**RECOMMENDED:** That all members concerns be forwarded to Gwyn Teague

**Further**

**RECOMMENDED:** That an agenda item 'To discuss membership of Footpath Forum' be included on the next agenda
