Mr Graham Jones – Treasurer, Llantwit Major Bowls Club
Mr Adrian Woods - Chair, Llantwit Major Bowls Club
Mr Graham Snowdon – Secretary, Llantwit Major Bowls Club
Mrs Ruth Quinn – Town Clerk

Councillor Evans welcomed all to the meeting and invited Mr Jones to start discussions.

Mr Jones informed members that the Bowls Club were looking into GDPR and making sure they are compliant. They are looking at asking members to complete a form confirming they are happy for their details to be held on file. The Town Clerk agreed that the Town Council were also looking at this and would need to review how 'key holders' details are stored.

The cutting of the bottom hedge between bowling green and tennis courts is progressing, the club are trying to make it presentable with the chippings and grass cuttings being placed back on the flowerbeds. Unfortunately a section is still dying and does not look as if it will improve.

Mr Jones stated that a number of members have raised concerns should the improvements to the sports pavilion proceed. What will happen over the winter months for those members who play indoors, whilst the works are taking place. Would the Town Council allow use of Llantonian Hall? The Town Clerk informed members that Llantonian Hall is solidly booked and she could not see how we could accommodate a green carpet and a regular booking. Councillors suggested that the Bowls Club should approach the rugby club as the main hall is free in an afternoon. Mr Wood agreed to do this.

Mr Snowden congratulated the Council on the improvements to the footpath it makes a big difference.

Mr Wood asked if the Bowls Club could receive a copy of the tender for works to the sports pavilion so members were aware of what would be included in the finished project. Councillor Evans confirmed a copy of the tender would be forwarded.

Mr Jones informed members that the Bowls Club now have a website, www.lmbcwales.

Mr Wood concluded that the Bowls Club have new shirts and sponsors for this season.
