To all concerned

**Thank you to all concerned**

At the start of this pandemic I was just coming to the end of my term as Mayor for this wonderful town of Llantwit Major. During that uncertain time, I was extremely heartened to see the Town pull together in many ways, supporting those in need, those who required just a little reassurance and those who in some cases just needed a friendly chat.

A special mention and thank you must go to those who continued to provide services to the Town, including shop keepers and those who worked in them, businesses, medical professionals, transport providers, carers, pharmacists, delivery drivers, to name just a few. Without your outstanding contributions, courage, commitment, and dedication the Town would not have come through this troubling time as successfully as we have.

The Town Council were keen to continue 'as normal' and therefore held our Annual meeting, although slightly later than planned, and Councillor Gerwyn Thomas was elected the new Town Mayor in June. I know he is keen to see the Town continue to progress and is very supportive of all those involved in providing the valuable services.

Stay safe and well and once again thank you all for your immense contribution to the local community.

Regards
